Lead with the problem

AAI appears alongside Avenic in a presentation about the practical use of AI.

Applied intelligence, plainly stated

The second board defines AI as applied intelligence. A short headline does the work, with the supporting argument set in smaller text beneath it.

Sign the message with both names

Avenic occupies the lower left and the “by AAI” signature anchors the lower right. The arrangement carries across the dark and light versions.

LIGHT AND DARK SIGNATURE DETAILS

Connect the unconnected.
