Give learning a recognisable face

Gyan pairs a green play emblem with course graphics co-branded with Thinkdemy.

Make space for a co-host

Gyan and Thinkdemy appear together on design thinking and communication design promotions. A shared footer keeps both organisations recognisable as each event changes its artwork.

ORIGINAL THINKDEMY AND GYAN EVENT GRAPHICS

Connect the unconnected.

Onindo Ahmed

A multidisciplinary thinker and maker passionate about connecting ideas, challenging conventions, and building what's next.

Let's get connected!
