# The mill in print

HKG Steel’s company profile and calendar artwork, shown as printed pieces.

# The people, story and capabilities

The profile places the company timeline alongside products, production spaces and images of the mill.

COMPANY PROFILE · COMPANY STORY AND CAPABILITIES SPREAD

# Put the technical detail within reach

The process page takes readers through manufacturing. The facing page collects certifications and reference tables.

COMPANY PROFILE · PROCESS AND CERTIFICATIONS SPREAD

# A calendar with its own visual mood

A nighttime illustration frames the Bangla calendar artwork. The print mockup shows two panels from the supplied set.

HKG STEEL · CALENDAR PRINT MOCKUPS

# Connect the unconnected.

## Onindo Ahmed

A multidisciplinary thinker and maker passionate about connecting ideas, challenging conventions, and building what's next.
